CLASSIFICATIONS

Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers. **Novice B Classes** are open to all dogs.

Advanced Classes are open to dogs who have achieved the Novice title for that element. **Excellent Classes** are open to dogs who have achieved the Advanced title for that element. **Master Classes** are open to dogs that have achieved the Excellent title for that element. **Detective class** is open to dogs who have achieved a Master title in any Odor Element.

Handler Discrimination classes are titling classes in which the targeted scent is that of the handlers themselves. Not offered at this event.

Dogs may enter up to **two (2) difficulty levels in each element**, in each trial. Dogs may only enter a class once in each event. A class is defined as a particular difficulty level within a particular element, *For example, a dog may run in both Novice B and Advanced Interior in the same trial, but may not run in Novice A and Novice B Interior in the same trial.* **Dogs may only enter classes** for which they are eligible according to the above guidelines. Dogs that have previously earned the same or higher level AKC Scent Work titles may also enter lower level classes.

SEARCH AREA AND RING CONDITIONS

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. This facility is ADA accessible throughout.

Search Area Sizes Refer to the Scentwork Regulations for search area sizes and other requirements. Search areas may be of any shape and of the size specified in the Regulations for each class.

Exhibitors MUST check-in for each trial in which they are entered. *Time listed are approximate and may change after entries close or on the day of trial. Check schedule included with your entry confirmation to be sure.*

SCENT WORK STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area and search areas will be in climate controlled building including check-in, warm-up and waiting area, as well as the secretary table for posting of running order, results, and ribbons. Public restrooms will also be in this area. **Crating space** will be available on first come first claimed basis; gear may be left inside overnight. Crates okay but No ex-pens. *Reactive or noisy dogs may be asked to stage from their vehicles.*

Dog exercise Area –Dogs must remain on leash at all times and handlers must practice social distance of at least 6 feet between humans. **Exhibitors are responsible for cleaning up after their dog(s).** Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the grounds.

A **Handlers Briefing** will be conducted onsite by the judge as you enter the search area. There will be a group briefing prior to the start of each day's judging and may include a walkthrough of the area.

Warm-up Area One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. The warm-up area is not for training or relieving of the dog. (Chapter 5, Section 34 of the Scent Work Regulations).

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. (Chapter 3, Section 15 of the Scent Work Regulations).

Possession of Odors and Training. Chapter 5, Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".
