Breed Information

Breed: Cavalier King Charles Spaniel

Breeder

Breed Specifics

Temperament (friendly towards family, kids, strangers and other dogs)

Wonderful companions, ultimate lap dogs.

They are very friendly and loving, perfect for children, elderly as they are the ultimate emotional support dogs

Health issues

<https://www.cavalierhealth.org/>

Grooming

Moderate grooming requirements

Physical Needs (energy level, exercise needs)

They enjoy cuddles more than anything else but they love walks, playing, agility and a lot of treats

Adaptability (space needed, temperature restrictions)

They are very versatile and fit everywhere

Colors

They come in several colors

Blenheims, Tricolor, Ruby and Black and tan

We have Blenheims
