## DOGS ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered to compete.

**Condition of the Dog.** Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind can participate so long as the handler is always in control of the dog, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.

**Novice A** classes are open to dogs who have not completed any title for that particulate element, who have not completed a comparable title with another organization, and whose handlers are neither scent work judges nor have worked as professional detection dog handlers.

**Novice B** classes are open to all dogs. **The exhibitor is fully responsible for entering the dog in the correct class(es)/divisions. Failure to do so will result in the cancellation of qualifying scores by the AKC.**

## VOLUNTEERS

Successful Scent Work trials depend on workers/volunteers! Please consider helping when you and your dog are not competing. Duties include gate stewards, traffic/parking assistance, clean up, etc. Judge assistants/timers must be comfortable using a tablet or phone. If you are interested in volunteering, contact Emilee McClain: [southernsoulaussies@yahoo.com](mailto:southernsoulaussies@yahoo.com) or 704-648-3892

Volunteering will not interfere with any classes in which you are entered. Food will be provided for volunteers. More information will be provided as the trial date approaches.

## TRANSFERS / MOVE UPS

Move ups must be sent in writing (email is acceptable and preferred – no text or Meta (Facebook) instant messaging to the Trial Secretary no later than **Monday, October 13, 2025**. A move up transfer may be requested if, according to the owner's records, handler and dog are eligible and the dog has completed the requirements for the title after the closing date of the trial in which the entry has been made. A move-down transfer may be **requested if the owner mistakenly entered the dog in a higher-level class for which the dog is not eligible**. A lateral transfer if the owner mistakenly entered the dog in Novice A and the dog is not eligible.

Transfers (including transfers from between an "A" and "B" class at the same level) must be made in writing and must be received by the Trial Secretary in accordance with the applicable AKC Regulations. For transfers made up

to and including **October 13, 2025**, emails will be accepted if the following is included: Dog's call name, AKC registration number, owner's name, original class entered, and new class requested.

**Due to the schedule of the trial, there will no day or trial to trial move ups.**

## BRIEFING, AWARDS, STAGING AREA, WARM UP AREA INFORMATION

**A General Handler's Briefing** will be held each morning at **9 am in the parking lot**. These briefings will be as brief as possible. There will be no group element briefings or walk-through. Each competitor will receive a brief description of their search from the judge prior to their run and be given a moment at the start line to view the area and ask any questions.

**Awards** Awards will be "self-serve". After the results for each level are posted, exhibitors may leave after they are finished for the day.

**Warm-up area.** One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers in the warm-up areas if they choose.

**Absolutely no unentered dogs are allowed in the building or warm-up area.**

## SEARCH AREA AND CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

**Search Area Conditions.** Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces. Outdoor searches may or may not be under cover. Searches may require exhibitors to walk distances from the parking area(s) to access the various search areas. GMKC will make every effort to accommodate the needs of individuals with mobility issues, it that is practicable, but some search areas are only accessible via open and potentially uneven ground at a distance from parking areas.

## RIBBONS, AWARDS AND PRIZES

Placement ribbons will be awarded in each class as follows:

First Place	Blue
Second Place	Red
Third Place	Yellow
Fourth Place	White
Qualifying Score	Dark Green

A **New Title Rosette** will be awarded to dogs finishing a title.

An **Elite Title Rosette** will be awarded to all dog and handler teams finishing an Elite title.

**High in Trial Rosette:** teams who participate in the same difficulty levels in all elements offered in that trial and qualify in each are eligible to win **High in Trial**. One High in Trial winner is chosen per difficulty level; there is no separate High in Trial for the Novice A and Novice B sections. The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win.

## NOTICE TO EXHIBITORS

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. GMKC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. GMKC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against GMKC or any official thereof.

**Collars, Leashes and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must always be on leash**, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. GMKC has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**EXHIBITOR CHECK-IN:** Once the time and location for check-in is determined all exhibitors will be notified by email. **Exhibitors MUST check-in EACH day they are entered.**

**GMKC will allow** trial committee members to enter and handle dogs owned or co-owned in the trial. In addition, dogs owned or co-owned by a member of a committee member's household may be entered in the trial.

**The Trial Site** will be open to exhibitors from **8:00 am (EDT)** on each day and will remain open until one hour after the completion of judging.

Exhibitors, Handlers and Others Attending the Trial waive any claim for damages against GMKC or its members or agents in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation because of improper ventilation.

All exhibitors should obtain a copy of the [Regulations for Scent Work](#).

## ADDITIONAL SITE INFORMATION

Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show.

**Possession of Odors and Training.** Chapter 5. Section 35 of the Scent Work Regulations state, “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

**Spectator Area.** Spectators are encouraged. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes.
